Welcome to the new BFA Dance and Choreography students

It is with great pleasure that I welcome you to The Danish National School of Performing Arts and into the BFA Dance and Choreography programme.

We are looking forward to you joining the current students in creating a thriving study environment that we can be proud of.

The first couple of weeks will be spent on getting to know the school's formalities and practicalities. We will also use the time to give you a sense of the environment and community that surrounds us in Holstebro. A community that is excited to welcome you too.

Until we meet, I wish you a lovely summer and look forward to seeing you again and getting started.

All my best,
Tiziana Fracchiolla
